

Balloon Decoration 2026

数字框造型系列 (Frame of numbers styling series)

8

ALUMINUM FOIL BALLOONS

fill foil balloon with air (no helium) using the included straw or a hand pump.

fill latex balloons with air (not helium) to 2" - 3"

Paste latex balloons on foil balloon using adhesive. do not attach the adhesive tab directly to the knot.

continue adhering latex balloons until complete. optionally, layer additional smaller size latex in between the base layer for extra visual effect.
