Company Profile

公司介绍

Shenzhen Boyi Electronics Co., Ltd., was founded in 2012. We are dedicated to high-end vehicle intelligent audio & video navigation products, mobile phone and computer accessories in the field of design, R&D, production and sales as one of National-level SRDI Enterprise, High and New Technology Enterprise and Technology-based Innovative Enterprise. The company has over 300 global patents. 8S management as the center, the establishment of quality, production, sales, after-sales service management are the perfect system. Boyi improves the manufacturing technology, meticulous manufacturing process, for the company at home and abroad to win a certain market share.

At present, the company is located in the Building 5, 5th floor, Building 8, 1st floor, Longbi Industrial City, No. 27, Dafa Road, Bantian Street, Longgang District, Shenzhen. Company plant covers an area of more than 6500 square meters, the number of employees more than 200 people. Companies adhering to the "professional manufacturing, service-oriented, quality first" business philosophy. The company strictly implements the ISO9001:2015 and BSCI standard international quality system certification, takes "8S" management as the center, and establishes a perfect system of quality, production, sales and after-sales service management. And obtained ROHS, CE, FCC, and other international quality certification systems.

深圳市博屹电子有限公司成立于2012年，是一家致力于高端手机电脑配件和车载影音配件领域的设计、研发、生产和销售为一体的国家级专精特新、高新技术、科技型、创新型企业，公司全球专利已超300项。公司已取得ISO9001国际质量体系认证，以“8S”管理为中心，建立品质、生产、销售、售后服务管理为一体的完善制度。博屹以精益求精的制造技术，一丝不苟的制造工艺，为公司在国内外赢得了一定的市场份额。

目前公司地址在深圳市龙岗区坂田街道大发路27号龙壁工业城5栋5楼、8栋1楼。公司厂房占地面积6500多平方米，员工人数200多人。公司秉承“专业制造，服务为本，品质第一”的企业理念。公司严格执行ISO9001：2015国际质量体系认证与BSCI标准，以“8S”管理为中心，建立品质、生产、销售、售后服务管理为一体的完善制度。并取得ROHS、CE、FCC、等国际质量认证体系。

Milestones

公司发展历程

2012

Founded in 2012
公司成立

2015

USB cable sales volume above 50 million
数据线累计销售五千万

2016

Expand business of audio products
拓展音频类产品线

2017

Products hot sale on JD,TMall and Amazon
产品占据京东天猫亚马逊平台

2018

Obtain MFI qualification expand HIFI field
荣获Mfi资质拓展HiFi领域

2020

Expand business of wireless charger
拓展无线充产品

2021

Branch out business of wireless CarPlay field
拓展车用USB互联盒

2022

Expand vehicle intelligent audio & video navigation products
拓展车载音频视频导航智能产品

2023

Innovate smart vehicle streaming media products
拓展车载流媒体类智能产品

2024

Awarded "Specialized, Refined, Unique and Innovative" Enterprise certification
获取专精特新及创新型企业认证

2025

Intelligent AI Hardware
智能AI硬件

2026

Obtained BSCI (Business Social Compliance Initiative) certification
获得了BSCI认证
