CORPORATE CULTURE

ABOUT US

1999-2026

Founded in 1999, Shernbao is a company integrating design, production, and trade. As a national high-tech enterprise, we have a professional R&D team dedicated to new product development and technological upgrading. All core products are independently researched and developed by our subsidiary factory, Ningbo Shernbao Electric Appliance Co., Ltd.

We not only sell our own products but also provide OEM/ODM services and accept custom orders. Our factory covers an area of 10,000 square meters and is equipped with modern production equipment and testing laboratories.

After 27 years of development, we have become the most comprehensive supplier of pet grooming tools and equipment in China.

The future holds far more than this!

Shernbao will continue to uphold the philosophy of providing customers with high-quality products and services, and delivering safe and reliable products for pets. We pursue continuous innovation to create joyful moments for both pets and their owners.

NEW PRODUCTS ARE COMING SOON!
EVERY PIECE IS METICULOUSLY CRAFTED

PET NECK-HUNG HAIR DRYER

(Available Color: White)

Hands-Free Grooming, Blowing, Detangling & Calming,
All in One:

Lightweight body, neck-hung design for zero fatigue;

High-speed brushless motor delivers powerful drying
and detangling performance;

360° surrounding soft airflow with flexible universal joint;

High-concentration negative ions protect fur for a fluffy,
healthy texture;

3 wind speed & 3 temperature settings with intelligent
hot/cold air care.

PRODUCT BASIC INFORMATION

Main Unit Dimensions: L175mm * W57mm * H39.5mm

Neck-hung Accessory Dimensions: L400mm * W28mm * H13mm

NEGATIVE ION BLOWER GROOMER PSD-920P / PWD-921P

Reduces shoulder and neck strain for groomers, making pet grooming work easier and more efficient.

Engineering plastic housing: Lightweight yet durable;

Stepless speed & temperature adjustment: Precise control for customized grooming;

Electronic switch: Frictionless between components for enhanced safety;

Mica long-life heating element: Equipped with overheat protection to prevent overheating;

A360° rotatable manually adjustable nozzle: Easily adjust to any angle for full coverage;

Brushless motor: Ensures an ultra-long service life of over 5,000 hours;

Advanced noise reduction technology: Significantly reduces noise to 62 decibels.

PRODUCT BASIC INFORMATION

Product Height: Adjustable from 112cm to 148cm

Usage Modes: Standing (PSD-920P) / Wall-Mounted (PWD-921P)

PWD-921P

PSD-920P

NEGATIVE ION BLOWER GROOMER PSD-918P / PWD-919P

Aluminum alloy housing: Sleek, elegant, sturdy and durable.

Encoder switch designed for wind speed & temperature adjustment:

Easy operation and simple setting;

Electronic switch: Frictionless between components for enhanced safety;

9-speed digital control: With power on / standby function;

LCD display: Accurately shows wind speed and temperature;

Mica long-life heating element: Equipped with overheat protection to prevent overheating;

Japanese-made heavy-duty 1/4 horsepower motor & turbine fan: Precise, powerful and durable;

Brushless motor: Ensures an ultra-long service life of over 8,000 hours;

Advanced noise reduction technology: Significantly reduces noise to 58 decibels;

Upgraded "Smart Care" function: Alternating hot and cold air cycle mode accelerates drying, tightens hair cuticles, enhances moisture locking, reduces oil secretion, and leaves fur fluffy and voluminous.

PRODUCT BASIC INFORMATION

Product Height: Adjustable from 135cm to 161cm

Usage Modes: Standing (PSD-918P) / Wall-Mounted (PWD-919P)

PWD-919P

PSD-918P

NEGATIVE ION VERTICAL BLOWER GROOMER

Encoder switch for wind speed & temperature control — Easy operation & simple settings;
Long-life mica heating element with overheat protection to prevent overheating;
Brushless motor ensures ultra-long service life of over 8,000 hours;
Japanese heavy-duty 1/4 HP motor & turbine fan — Precise, powerful & durable;
360° adjustable rotatable nozzle for easy positioning at any angle;
High-grade ion generator releases high-concentration negative ions, effectively eliminating static, smoothing frizz, and straightening curly hair;
Hands-free design greatly improves grooming efficiency.

PET GROOMING SLICKER BRUSH TSB-201 / 202

(Available Colors: Black)

Ideal for daily grooming, de-shedding, and detangling of cats and dogs.
High-density pins penetrate deep to the root, effectively removing loose fur.
Suitable for all coat types—short, long, coarse, or thick—without irritating the skin.

PRODUCT BASIC INFORMATION

- Product Dimensions:
- TSB-201: 87mm (W) × 152mm (L)
 - TSB-202: 118mm (W) × 160mm (L)

GROOMING TABLE RESTRAINT STRAP PR-01

(Available Colors: Pink / Purple / Blue / Black / Orange / Yellow / Green / Rose / Apple Green / Lake Blue)

For securing pets during bathing or grooming to prevent escape.
Colorful strap with reinforced core: tensile strength up to 100kg, resistant to pulling from cats and dogs.
Upgraded thick silicone material: durable, deformation-resistant, waterproof, and anti-hair adhesion.
