Founded in 2014, Shenzhen Dazhi Technology Co., Ltd. specializes in fragrance and cleaning products. We are certified with ISO9001 and BSCI.

Our 6,000m² facility is situated in Bao'an District, Shenzhen, equipped with production workshops, warehouses and modern offices. Our main products include aroma diffusers, humidifiers, automatic soap dispensers and air freshener dispensers. We own over 50 patents from China, EU and the USA, and all items meet CE, RoHS and FCC standards.

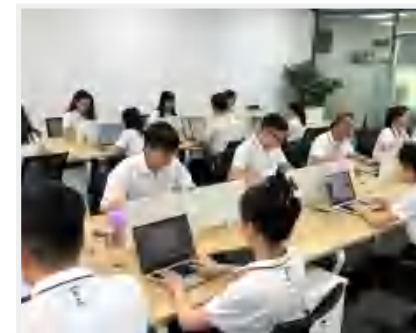

We offer OEM & ODM services, supported by a professional R&D team and a strict 100% inspection QC team. Our products are popular at home and abroad for stable performance and reliable quality.

Our sales team provides fast response and thoughtful service. We hope to build long-term cooperation with you for win-win results.
