KAIERRUITECHNOLOGY(SHENZHEN)CO.,LTD.

Kai er rui Technology (Shenzhen) Co., Ltd is a high-tech enterprise specializing in the research, development, production, and sale of hardware products, such as screwdrivers, providing comprehensive support to numerous high-quality enterprises.

Founded in 1985, we prioritize innovation and staying abreast of the times. We currently hold over 100 product patents. With abundant sources, a diverse range of products, and nearly a thousand SKUs, we support customization and have already submitted over 1000 product customization and OEM projects.

With a global perspective, we possess an independent R&D studio, fully automated intelligent production workshops, and imported CNC machines. Employing cutting-edge technology, we empower our products and partner enterprises, striving for a mutually beneficial development scenario.

Brand Introduction

- Kai er rui Technology (Shenzhen) Co., Ltd is a modern high-tech hardware tools enterprise integrating research, sales, production, and service. Located in the renowned "Hardware Tools City" of Shantou, Guangdong Province.

The company is dedicated to leading the industry in the field of hardware tools. Focusing on the national market and closely combining characteristics from various industries, we deeply explore customer application scenarios. Leveraging robust R&D capabilities and integrating cutting-edge global technological concepts, we swiftly respond to evolving customer demands, providing advanced, reliable, secure, high-quality, and easily scalable customized product solutions for industry clients.

- Adhering to the business philosophy of "Customer First, Service Excellence, Innovation Foremost, Technology at the Core," and upholding the corporate spirit of "Co-creation, Sharing, Win-win," we follow a talent philosophy of "Understanding and Appointing People, Fully Utilizing Talents." Through open innovation, outstanding operational management, and human resource development strategies, we aim to build the company's core competitiveness comprehensively, offering the most valuable industry services with top-notch service, technology, and products.

- With nearly 35 years of experience, our hardware tools factory specializes in independent research, production, and OEM services for screwdrivers, screwdriver sets, and more. The factory covers an area of approximately 16,000 square meters and holds hundreds of patents, including those for appearance and utility models. Catering to multiple renowned brands across the globe, we persistently focus on meeting user demands and pursuing excellence, continuously creating value for our customers.

Globalized Services

Our products, primarily rooted in the domestic market, are also exported to overseas markets such as North America, Europe, and Oceania. Their outstanding quality has garnered favorable acclaim in the global market.

Our Mission/Vision

- Focusing on customer needs, we are dedicated to providing comprehensive solutions in repair and communication services. We continuously offer cutting-edge technological products to create maximum value for our customers.
- Our aim is to enhance the global perception of our products by enriching people's lives through our products and services. We firmly believe that only actions beneficial to society are those that businesses should pursue.

High-Quality Quality Control

We strictly adhere to stringent standards in raw material selection, meticulously choosing high-quality steel for production. Employing mature manufacturing techniques, we endeavor to ensure that every screwdriver is crafted with precision, resilience, and ergonomic design, meeting the highest standards of human mechanics.

OEM ODM Services

We offer OEM/ODM services, keeping abreast of industry trends and boasting a mature capability for developing hot-selling new products. We can independently or collaboratively assist our business partners in researching and developing cutting-edge products. From KER, customization begins—tailoring high-quality products exclusively for you.

Automated Assembly Line

We employ a modern lean production management approach, empowering our products with high-tech automated CNC machines. With mature product assembly lines and semi-automatic or fully automatic equipment, we ensure product quality and meet delivery deadlines.

Development Milestones

Thirty-five years of Witnessed Quality
Dedication, Lean Focus, Innovation
Forging ahead Reliable and Trustworthy

2023

Pursuing perfection, continuously providing customers with the finest service and premium products. Our drive lies in consistently creating value for our customers without pause.

2018

Comprehensive equipment upgrades, initiating intelligent fully automated production to enhance capacity, efficiency, and product quality.

2011

Global product distribution, engaging in global OEM manufacturing for international brands.

2004

Striving for excellence, introducing robotic arms for CNC automation, establishing R&D labs, and developing proprietary products.

**1985
|
2000**

Dedicated to professional hardware tool products, staying updated, investing in high-end equipment to achieve semi-automated production.

六角杆尖圆撬刀

Hexagonal Rod Tip Round
Crowknife

产品参数

H5*145 材料: CR-V (铬钒钢)

H5*144 材料: CR-V (铬钒钢)

圆杆尖圆撬刀

Round Rod Tip Round
Crowbar

产品参数

H5*160 材料: CR-V (铬钒钢)

H5*168 材料: CR-V (铬钒钢)

圆杆双头撬刀三件套

Round Rod Double-ended Pry
Knife Three-piece

产品参数

H5.5*170 材料: CR-V (铬钒钢)

H5.5*168 材料: CR-V (铬钒钢)

圆杆尖圆撬刀

Round Rod Tip Round
Crowbar

产品参数

H5.5*170 材料: CR-V (铬钒钢)

H5.5*168 材料: CR-V (铬钒钢)

三种规格甲醛铲刀

Three Sizes of Formaldehyde
Blades

产品参数

- 1: 长 140mm 锥-----一字铲
- 2: 长 140mm 小一字铲-----大一字铲
- 3: 长 140mm 钩-----一字铲

IC刮胶刀

IC Squeegee Blade

产品参数

- 1: 长 140mm 锥-----一字铲
- 2: 长 140mm 小一字铲-----大一字铲
- 3: 长 140mm 钩-----一字铲

带铝拉手吸盘

Suction Cap With Aluminum
Handle

产品参数

- 1: 直径 45mm 材料 Pvc

1252型吸盘带通珍

Suction Cap With Sim Card Pin

产品参数

- 1: 直径 35mm 材料 Pvc

三角片

Triangle Plastic Prying Tool

产品参数

- 1: 厚小三角片 直径:
2: 厚大三角片 直径:
3: 薄大三角片 直径:

尖头双圆注塑撬刀

Plastic Handle Spudger

产品参数

H5*150 材料: CR-V PP塑料手柄

单头撬刀

One Side Spudger

产品参数

- 1: H4*40 材质: CR-V
2: H5.5*60 材质: CR-V
2: H5*72 材质: CR-V

撬刀套组

Spudger Set

HT-1569-6

规格名称 Specification	每盒装数 Packs per box	每箱装数 Packs per box	外箱尺寸 Carton size	净重 net weight	毛重 gross weight
