# Company Profile

Shenzhen Huangmai Technology Co., Ltd. is a high-tech enterprise specializing in research and development and production of Bluetooth headset. Since its inception in 2013, the company has devoted itself to product development, brand promotion and OEM acceptance at home and abroad, and established Yineine® Yinmai brand.

The company is located in Fangxing Science and Technology Park Longgang District, Shenzhen. It has R&D department, administrative department, procurement department, production department, personnel department, sales department and other departments. It has a complete office system. The production workshop is equipped with international standardized assembly line operations. It relies on its unique geographical location and resource advantages, and has long-term cooperation with advanced scientific research institutions at home and abroad. All product models under the company have patent certification and certification of relevant institutions; the company pays attention to quality management, and establishes good and stable cooperation with many well-known brand enterprises at home and abroad. Domestic and foreign distributors and agents are involved in major global well-known digital accessories industry, gradually forming a strong talent, technology and brand advantages.

Huangmai adheres to the enterprise purpose of "honesty", "innovation", "win-win" and teamwork spirit based on "technology" and "service". It always pays attention to the needs of customers. It starts from the needs of customers and aims at customer satisfaction.

# 公司简介

深圳市皇迈科技有限公司是一家专业研发、生产蓝牙耳机的高科技企业。自 2013 年成立以来，公司致力于国内外产品研发、品牌推广及代工 (OEM) 业务承接，并创立了 Yineine® 音迈品牌。

公司坐落于深圳市龙岗区方兴科技园，设有研发部、行政部、采购部、生产部、人事部、销售部等部门，拥有完善的办公体系。生产车间配备国际标准化流水线作业，依托得天独厚的地理位置与资源优势，长期与国内外先进科研机构保持合作。公司旗下所有产品型号均具备专利认证及相关机构认证；公司重视质量管理，与国内外多家知名品牌企业建立了良好稳定的合作关系。其国内外经销商与代理商遍布全球主要知名数码配件行业，逐步形成了雄厚的人才、技术与品牌优势。

皇迈科技秉持“诚信、创新、共赢”的企业宗旨，以及以“技术”和“服务”为核心的团队合作精神，始终关注客户需求，从客户需求出发，以客户满意为目标。

地址：深圳市龙岗区方兴科技园C区15栋4楼
