

ABOUT US

Shenzhen Welldy Technology Co., Ltd. is a Shenzhen-based company specializing in the design, development, production and sales of speaker products.

Our company has a professional, efficient and innovative management team in product development, manufacturing, quality control, marketing and after-sales service.

With rich experience and solid strength, it is a company that is widely trusted by its peers and customers.

It mainly produces portable Bluetooth speakers, waterproof Bluetooth speakers, desktop speakers, smart speakers and other speaker products.

Welldy is committed to providing quality audio products to people all over the world. With our team's wisdom, we are eager to produce a personal speaker for people all over the world, bringing us a beautiful life.

Welldy people have a unique self-awareness: The design adheres to the concept of being exquisite and unique; Production adheres to the concept of strict and perfect production quality; Service adheres to the concept of sincerity, integrity and efficiency;

Our company has more than 8,000 sqm modern workshops, strictly follows the latest quality management standards of ISO9001:2018, and through BSCI accreditation, Welldy people use unique cognitive concepts and rigorous attitude to control every step from design, development to mass production.

Let more and more people have the same confidence and satisfaction in our products as Welldy.
