

深圳市盛达瑞电子有限公司

COMPANY PROFILE

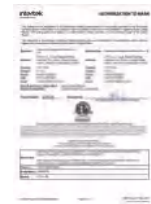

2025.10

SUNDA Electronics Co., Ltd. was established in early 2009 and specialized in the design and manufacture of cellphone accessories. After years of development, today's SUNDA is a R&D, manufacture and marketing integrated technological innovation-based enterprise. It has the mature and experienced R&D and international marketing teams, online and physical stores both domestically and abroad. SUNDA has its own factory which covers an area of 2000 SQM and locates in Bao'an District, Shenzhen. The factory is only 7 KM from Shenzhen airport, your visit is warmly welcome.

SUNDA's main products are: car charger, power bank, cellphone data cable, and travel charger. Our products can be applied to all kinds of Android and IOS smartphones, cameras, tablets and other electronics. SUNDA is able to provide finished products, complete solutions, PCBA, OEM, ODM and other services to customers. Certificates we have are CE, ROHS, BSCI, FCC and REACH.

With endeavors of SUNDA's experienced employees in R&D, design and manufacture, our products have been widely sold to Southeast Asia, Europe, America and other countries. We adopt a mature quality management system to processes from raw materials procurement to final inspection, so our products are highly praised by both old and new customers.
