关于我们

About us

江苏鼎控电子科技有限公司，创立于2014年，是一家集设计开发、生产加工、销售为一体的高新技术企业。

我司专注于为汽车电器领域提供全方位解决方案，在行业内深耕多年，已成功研发出各类高品质的汽车电器产品，涵盖开关、触摸屏、扶手总成、电吸门锁以及多种先进的控制系统等。

自2022年起，公司大力进军新能源汽车领域，凭借自身卓越的研发能力，精心开发出多款专门适用于新能源汽车的特色产品，在新能源汽车配件市场中崭露头角。

我司拥有完整的开发体系、强大的软硬件开发实力，拥有一支实力强劲的软硬件开发团队，无论是技术储备还是创新能力，都处于行业领先水平。我们始终秉持以客户为中心的服务理念，能够依据客户的具体需求，为每一款汽车量身定制专属配件，从而精准对接市场需求，确保产品与市场的完美契合。

在此，我们诚挚欢迎广大客户前来与我司进行深入的交流与合作，携手共创美好未来！

Jiangsu Dingkong Electronic Technology Co., Ltd., founded in 2014, is a high-tech enterprise that integrates design and development, production and processing, and sales. Our company focuses on providing comprehensive solutions for the automotive electrical field, and has been deeply rooted in the industry for many years. We have successfully developed various high-quality automotive electrical products, including switches, touch screens, armrest assemblies, electric door locks, and various advanced control systems. Since 2022, the company has vigorously entered the field of new energy vehicles, relying on its excellent research and development capabilities to carefully develop a variety of characteristic products specifically suitable for new energy vehicles, and has emerged in the new energy vehicle parts market.

Our company has a complete development system, strong software and hardware development capabilities, and a strong software and hardware development team. Whether it is technical reserves or innovation capabilities, we are at the forefront of the industry. We always adhere to the customer-centric service philosophy, and are able to tailor exclusive accessories for each car according to the specific needs of our customers, in order to accurately meet market demand and ensure a perfect fit between our products and the market.

Here, we sincerely welcome customers to come and have in-depth exchanges and cooperation with our company, and work together to create a better future! needs of customers, accurately respond to the market, and fully promote the development of the electric vehicle industry.

江苏鼎控电子科技有限公司 在汽车电器领域成就斐然，所获荣誉熠熠生辉。专注于提供优质汽车电器解决方案，各类产品表现卓越。

公司凭借完整开发体系与强大开发实力，屡获殊荣。这些荣誉不仅是对产品技术创新、高品质的肯定，更是对定制化服务满足客户需求的认可。它们见证着公司一路走来的拼搏与突破，也激励着我们继续前行，以更精湛的技艺、更贴心的服务，在行业中持续绽放光彩，创造更多辉煌。

Jiangsu Dingkong Electronic Technology Co., Ltd. has achieved remarkable success in the field of automotive electrical appliances, and its honors are shining brightly. Focused on providing high-quality automotive electrical solutions, with outstanding performance in various products. The company has won numerous awards with its complete development system and strong development capabilities. These honors are not only a recognition of product technology innovation and high quality, but also a recognition of customized services to meet customer needs. They witness the company's hard work and breakthroughs along the way, and also inspire us to continue moving forward, to continue to shine in the industry with more exquisite skills and caring services, and to create more brilliance.

公司荣誉

专业品质至上，创新服务驱动，客户需求导向
合作共赢发展，品质诚信立足

Professional quality first, innovative service driven, customer demand-oriented
Win-win cooperation and development, based on quality and integrity

品质与原车匹配;
关乎操控与安全, 功能多样且耐用;
可定制开发新产品;
提供高效优质方案;
丰富多样满足广泛需求,
维修升级全方位服务市场。

Match the quality with the original car;
Related to handling and safety, with
diverse and durable functions;
Customizable development of new
products;
Provide efficient and high-quality
solutions;
Rich and diverse to meet a wide range
of needs,
Comprehensive service market for
maintenance and upgrading.
