About us

Established in 2007, Zhongshan Sinseader Electronic Co., Ltd. is a professional manufacturer specializing in researching, developing, producing, selling, and servicing Cables, Chargers, Docking Stations, Mobile Accessories, and Computer Peripherals.

With 18 years of OEM and ODM exporting experience, Sinseader has exported its products to over 100 countries worldwide. We have obtained the BSCI factory audit report, ISO9001, ISO14001, Displayport, UL and HDMI adapter licenses. Our six workshops cover every aspect of production, from PVC raw materials, wire extrusion, braiding, metal and hardware to production assembly. This allows us to maintain quality, price, and delivery control.

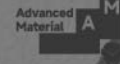

Overall, Sinseader is committed to developing and producing high-quality, reliable products that enhance people's lives. We continue to expand our product offerings to meet the evolving needs of our customers around the world.
