COMPANY PROFILE

Zhongshan Weirisi Electrical Appliance Co., Ltd. was established in 2008. It is an electrical appliance manufacturing enterprise integrating design, development, production and sales. The company's main products include rechargeable fans, emergency lights, energy-saving lamps, flashlights, and other electronic products, which are widely used in home, office and outdoor scenarios.

Our company takes technological innovation as its core, possesses a professional team and a complete production system. Our products are exported to Southeast Asia, the Middle East, Africa and other regions, and are highly recognized by customers. Adhering to the concept of "customer-centered and quality-oriented", we are committed to providing high-quality and environmentally friendly electrical products.

Our company will continue to expand both the international and domestic markets in the future, increase investment in research and development, and promote brand development. We will create a bright future together with both new and old customers.
