

Item No.	Pic	Specification
D82-1 Small		Working time: About 3 - 4 hours Charging time: About 4 hours Yellow light intensity: 1552ML, Weak: 92ML White light intensity: 1518ML, Weak: 49ML Yellow and white light intensity: 2216ML, Weak: 140ML Functions: Yellow light - White light - Yellow and white light - Red flash The light intensity can be adjusted by a knob Type-C interface, USB interface output Battery level display, hook, magnetic attachment Battery: 2 pieces * 18650, 3000 milliampere Material: ABS + PP Product size: 103*103*55mm Carton size: 118*57*107mm Product weight: 191 grams Carton weight: 30 grams Total weight: 239 grams Colors: Green, Yellow Accessories: Data cable, hook
D82-2 Medium		Working time: approximately 4 - 5 hours Charging time: approximately 5 hours Functions: Yellow light - White light - Yellow and white light - Red flashing The brightness can be adjusted by a knob Type-C interface, USB interface output Battery level display, hook, magnetic attachment Battery: 3 * 18650, 4500 milliampere Material: ABS + PP Product size: 160 * 160 * 55mm Carton size: 168 * 60 * 169mm Product weight: 344 grams Carton weight: 53 grams Total weight: 410 grams Colors: Green, Yellow Accessories: Data cable, strap, hook
D82-3 Large		Working time: 5 - 6 hours Charging time: about 6 hours Huang Guangqiang: 2900ML Weak: 120ML White light: 3000ML Weak: 82ML Yellow and white light: 4200ML Weak: 210ML Functions: Yellow light - White light - Yellow and white light - Red flashing The brightness can be adjusted by a knob Type-C interface, USB interface output Battery level display, hook, magnetic attachment Battery: 4 pieces * 18650, 6000 milliampere Material: ABS + PP Product size: 220*220*55mm Carton size: 228*58*230mm Product weight: 510 grams Carton weight: 87 grams Total weight: 610 grams Colors: Green, Yellow Accessories: Data cable, strap, hook
D83-1 Small		Running time: About 3 - 4 hours Charging time: About 4 hours Huang Guangqiang: 1600ML Weak: 76ML White light: 1500ML Weak: 52ML Yellow and white light: 2300ML Weak: 130ML Functions: Yellow light - White light - Yellow and white light - Red flashing The brightness can be adjusted by a knob Type-C interface, USB interface output Battery level display, hook, magnetic attachment Battery: 2 pieces * 18650, 3000 milliampere Material: ABS + PP Product size: 103*103*53mm Carton size: 118*57*107mm Product weight: 199 grams Carton weight: 30 grams Total weight: 247 grams Colors: Green, Yellow

D83-2 Medium		Working time: About 4 - 5 hours Charging time: About 5 hours Yellow light intensity: 2200ML, Weak: 99ML White light intensity: 2300ML, Weak: 71ML Yellow and white light intensity: 3000ML, Weak: 200ML Functions: Yellow light - White light - Yellow and white light - Red flashing The light intensity can be adjusted by a knob Type-C interface, USB interface output Battery level display, hook, magnetic attachment Battery: 3 pieces * 18650, 4500 milliampere Material: ABS + PP Product size: 160*160*55mm Carton size: 168*60*169mm Product weight: 365 grams Carton weight: 53 grams Total weight: 431 grams Colors: Green, Yellow Accessories: Data cable, strap, hook
D83-3 Large		Running time: 5 - 6 hours Charging time: about 6 hours Huang Guangqiang: 2900ML Weak: 120ML White light: 2900ML Weak: 80ML Yellow and white light: 3900ML Weak: 200ML Functions: Yellow light - White light - Yellow and white light - Red flashing The brightness can be adjusted by a knob Type-C interface, USB interface output Battery level display, hook, magnetic attachment Battery: 4 pieces * 18650, 6000 milliampere Material: ABS + PP Product size: 220*220*55mm Carton size: 228*58*230mm Product weight: 562 grams Carton weight: 87 grams Total weight: 662 grams Colors: Green, Yellow Accessories: Data cable, strap, hook
D84		Lamp beads: 4 XTE + 5 surface mount Lumens: 1000lm Running time: About 2 - 3 hours Charging time: About 4 hours Functions: Switch 1: Long press the switch, the light turns from dark to bright Strong - Medium - Weak Switch 2: Long press the switch, red light - blue light - red flashing Red and blue flashing - white light - yellow light - purple light Type-C interface, magnetic attachment, back clip Battery: 1 polymer battery, 800 milliampere Material: ABS + PS + aluminum Product size: 40*25*75mm Carton size: 70*30*105mm Product weight: 56 grams Carton weight: 9 grams Total weight: 80 grams Color: Black Accessories: Data cable, Instruction manual
D85		Lamp beads: 8 XTE + 15 surface-mounted Lumens: 2000lm Running time: About 4 - 5 hours Charging time: About 6 hours Functions: Switch 1: Long press the switch, the light goes from dark to bright Strong - Medium - Weak Switch 2: Long press the switch, red light - blue light - red flashing Red and blue flashing - white light - yellow light - purple light Type-C interface, magnetic attachment, back clip Battery: 1 polymer battery, 2500 milliampere Material: ABS + PS + aluminum Product size: 50*25*100mm Carton size: 80*30*135mm Product weight: 110 grams Carton weight: 11 grams Total weight: 131 grams Color: Black Accessories: Data cable, Instruction manual

D86-2		Running time: approximately 5 - 6 hours Charging time: about 5 hours Functions: Bright white light - Dim white light - Yellow light - Yellow and white light - White light flash Red and yellow light breathing flash - Blue and green light breathing flash Red and yellow light flash - Blue and green light flash - Blue and green light + Red and yellow light alternating flashing Type-C interface, USB output, battery level display, handle, solar charging Hidden colored lights (15 meters) Battery: 3 * 18650, 4500 milliampere Material: ABS + PC Product size: 238 * 213 * 50mm Carton size: 240 * 55 * 220mm Product weight: 657 grams Carton weight: 81 grams Total weight: 770 grams Color: Black + Yellow
D87-1		Running time: About 3 - 4 hours Charging time: About 4 hours Functions: White light - Yellow light - Yellow and white light - White light flash Red and yellow light breathing flash - Blue and green light breathing flash Red and yellow light flash - Blue and green light flash - Blue and green light + red and yellow light alternating flashing Type-C interface, hook, magnetic attachment, hidden colored lights (10 meters) Battery: 2 * 18650, 2400 milliampere Material: ABS + PC Product size: 115 * 115 * 40mm Carton size: 125 * 45 * 125mm Product weight: 297 grams Carton weight: 28 grams Total weight: 340 grams Color: Black + Yellow Accessories: Data cable, Instruction manual
D87-2		Running time: About 5 - 6 hours Charging time: About 5 hours Functions: Bright white light - Dim white light - Yellow light - Yellow and white light - White light flash Red and yellow light breathing flash - Blue and green light breathing flash Red and yellow light flash - Blue and green light flash - Blue and green light + Red and yellow light alternating flashing Type-C interface, USB output, battery level display, handle (with hook) Solar charging, hidden colored lights (15 meters) Battery: 3 * 18650, 4500 milliampere-hours Material: ABS + PC Product size: 180 * 180 * 50mm Carton size: 185 * 55 * 185mm Product weight: 648 grams Carton weight: 61 grams Total weight: 737 grams
D88-1		Running time: approximately 3 - 4 hours Charging time: approximately 4 hours Functions: White light - Yellow light - Yellow and White light - White light flash Red and Yellow light breathing flash - Blue and Green light breathing flash Red and Yellow light flash - Blue and Green light flash - Blue and Green light + Red and Yellow light alternating flashing Type-C interface, hook, magnetic attachment, hidden colored lights (10 meters) Battery: 2 * 18650, 2400 milliampere-hours Material: ABS + PC Product size: 120 * 120 * 40mm Carton size: 125 * 45 * 125mm Product weight: 262 grams Carton weight: 28 grams Total weight: 293 grams Color: Black + Yellow

D88-2		Running time: approximately 5 - 6 hours Charging time: approximately 5 hours Functions: Bright white light - Dim white light - Yellow light - Yellow and white light - White light flash Red and yellow light breathing flash - Blue and green light breathing flash Red and yellow light flash - Blue and green light flash - Alternating flashing of blue and green light with red and yellow light Type-C interface, USB output, battery level display, handle Solar charging, concealed colored lights (15 meters) Battery: 3 * 18650, 4500 milliampere-hours Material: ABS + PC Product size: 180 * 180 * 50mm Carton size: 185 * 55 * 185mm Product weight: 614 grams Carton weight: 61 grams Total weight: 679 grams Color: Black + Yellow
