2025 PRODUCT CATALOGUE

Shenzhen Ksentry Electronics Co., Ltd.

深圳市凯鑫成电子有限公司

Shenzhen Kai Xin Cheng(Ksentry) Electronics Co. Ltd is an innovative and energetic enterprise with the integration of designing, manufacturing, and selling stylus pens, USB cables, wireless chargers, phones, and tablet PC accessories, Founded in 2011. Ksentry is also an ISO9001, BSCI, SEDEX, Disney compliant company.

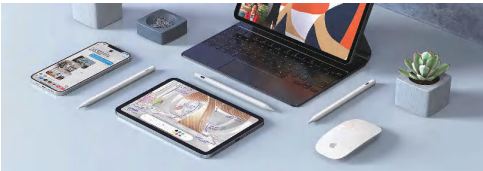

We have excellent teams who focus on product development & design, quality control & inspection, and company running. Because of large overseas markets, most of our products have got CE ROHS FCC Reach phthalates SVHC Organic tin Sccp Total lead and Total cadmium, MSD UN38.3 certificates.

Our factory covers an area of 4500 square meters and is manned by over 152 staff members, including more than 20 experienced management persons and technicians. With independent R&D teams, We are capable of developing three to four new products monthly.

We adhere to the principle of "your digital life, no limits". Our products have become popular with clients in the worldwide markets. OEM/ODM orders are also welcome. If you have any new ideas or concepts for the products, please contact us.

The image displays nine framed certificates of conformity and registration, arranged in a 3x3 grid. Each certificate is from a different international organization and features its own logo, text, and a gold-colored frame.
