Company introduction

Dongguan Vionix Smart Tech Co., Ltd

Dongguan Vionix Smart Tech Co., Ltd is a national high-tech enterprise integrating R&D, manufacturing and service. It focuses on the field of smart electronics and intelligent equipment, takes technological innovation as its core driving force, and provides high-quality products and solutions to customers around the world.

The company is affiliated to Hong Kong Gaoneng Electric Co., Ltd and is headquartered in Hong Kong. Since its establishment in 2014, the parent company has been deeply engaged in technology research and development and industrial layout in the electronics industry. The Insulator Division was established in 2004, focusing on the R&D and manufacturing of high-voltage transmission line insulators and high-speed rail insulators. LED Division was established in 2007, focusing on research and development of LED lighting and electronic products closely follows the trend of green energy and smart lighting. With its profound technological accumulation and global vision, it has become an industry-leading high-tech enterprise group. Dongguan Vionix Smart Tech Co., Ltd, a manufacturing center in the Guangdong-Hong Kong-Macao Greater Bay Area, and relied on the advantages of the local industrial chain to continue to improve its core competitiveness.

The company has more than 1,000 employees, including more than 100 people in the R&D and design team, covering multiple fields such as electronic engineering and intelligence, forming a full-chain R&D and manufacturing system. The company is equipped with advanced automated production equipment, precision testing instruments and a complete quality control system to ensure high product quality.

Adhering to the concept of "people-oriented", the company implements humanized management and stimulates employees' innovative vitality and sense of belonging through complete career development channels and a "family culture" atmosphere. With its agile supply chain and efficient response capabilities, the company achieves customized services and timely delivery, winning high recognition from domestic and foreign customers. Our products are exported to Europe, the United States, Japan, the Middle East, Brazil, Russia, and other regions, widely used in power transmission, renewable energy, smart lighting, and industrial equipment, establishing long-term partnerships with numerous internationally renowned enterprises.

In the future, Dongguan Vionix Smart Tech will adhere to the mission of "technological innovation leads development, quality service wins trust", deepens global layout, empowers industrial upgrading, and strives to become a benchmark enterprise in the global electronics and intelligent equipment field.

Bluetooth headphone series

OWS Open-Ear True Wireless Music & Call Earphones OWS-12

Starry Night Black September New Arrival

Bluetooth Version / Bluetooth Chip: V6.0/JL6973D4

Bluetooth Range: 10M (in standard environment)

Charging Port: Type-C

Material: ABS+PC

Battery / Charging Case Capacity: 50mAh/500mAh

Charging Time: 2H

Call Duration: 4H

Call Duration: 6H

Standby Time: 300H

Earphone Weight : 70g

Dimensions: : 77.5*67.5*25mm

Shipping Weight: : 215g

carton size: 110*170*40mm

box weight : 19.7KG

Packing quantity: 8/80pcs
